FACT SHEET

Điểm table lamp

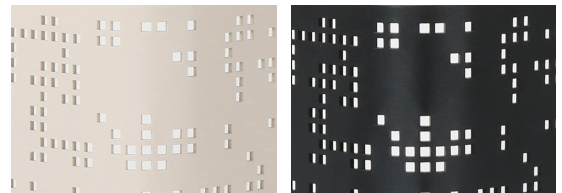

By Thomas Vincent for BÀNG

A collection of accessories, furniture and lighting. Using the fewest possible metal sheets in the making process, the final products take sleek and monolithic shapes. Combined with a square hole matrix, what remains is an aesthetic defined by what's already gone. In Vietnamese, điểm means point/dot.

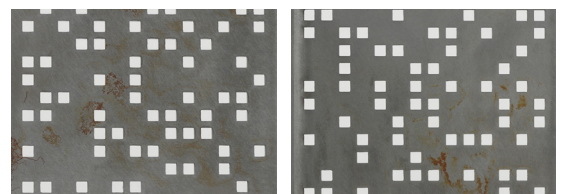

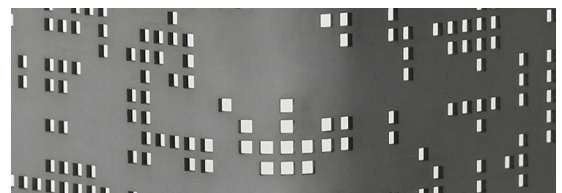

Name	Điểm table lamp
Size	Small
SKU	MT0246-NRTL
Dimensions	L6.3" x W6.3" x H11.8" inches
Materials	Steel aluminum
Finish	Cream or Black powder coating, or Raw steel
Light bulb	E26 G80 LED (not included)
Cable length	73.6" inches
Switch	in-line on/off hand switch
Plug	Polarized two pins, type A
Certifications	UL 153 CSA C22.2 No. 250.4
Net weight	5.3 lbs
Gross weight	5.7 lbs
Packaging	L7.3" x W7.3" x H13.2" inches
Country of origin	Vietnam

Cream and black powder coating
(offers uniform, solid and anti-corrosive finishes)

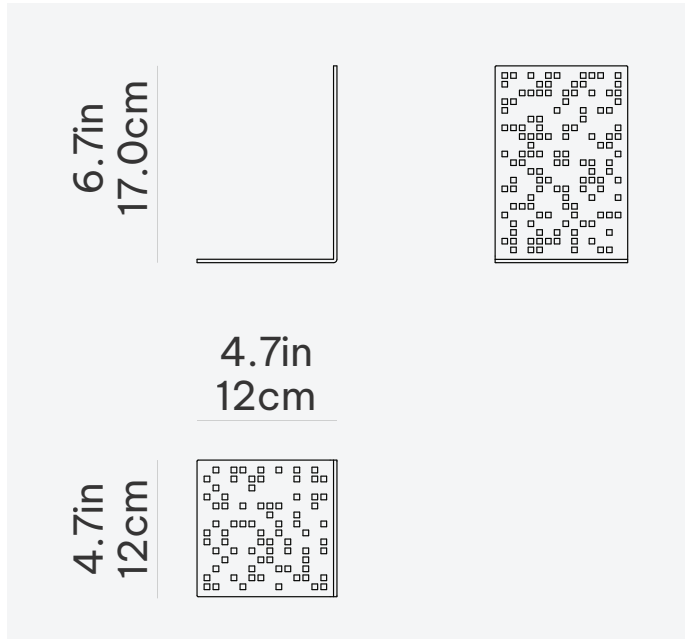

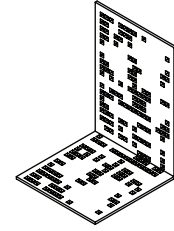

The raw steel finish is a signature of BÀNG. Once our products are crafted, they are simply varnished without any anti-corrosive treatment. Over time, the finish will naturally evolve with its environment. This gradual oxidation process ensures that each piece becomes unique and full of character.

Điểm book-end

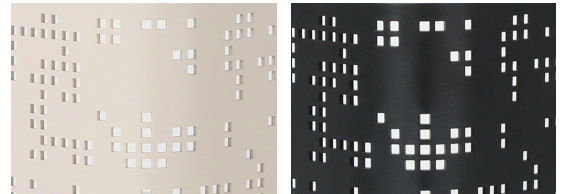

By Thomas Vincent for BằNG
